

Hustle Dance Steps

The hustle, which is a very famous disco dance move was extremely popular in the 1970s. Now hustle dance steps can actually be used in ballrooms and nightclubs and is America's very own "Latin" Dance.

Hustle dance steps originated in the Hispanic communities in New York and Florida. They are based on older dances like the mambo and have some steps from famous [dancing](#) styles like the **Swing dance** and **Salsa**. The original Hustle in the 1970s went by many names like the **Latin Hustle**, Same Foot Hustle, Tango Hustle and the New York Hustle. It was included in many line dances as well, and traditionally is still practiced in some cultures.

Basic Hustle Dance Steps

Hustle is a partner dance which is easy to learn and can be enjoyed as a partner or couple dance. Sometimes beginners find it difficult to do these simple Hustle dance steps with the three-count pattern. But once you've learned it, you can be the best at it. So find out some swanky yet elegant Hustle dance moves which can earn you an applause.
